DOG DATA ANALYSIS

- hand(owner_held)
- hand(staff_held)
- hand(volunteer_held)
- net

- entire
- neutered

CHALLENGES AND MITIGATION

Weather- protective clothing

Terrain- appropriate footwear

Scattered and low dog density- Static point and community leaders

Long travel – first aid, water

Low connectivity – identify assembly point

Language barrier – locals in the team

Low owner compliance – awareness and local body engagement
